Report of Principal and School Improvement Council

Northside Elementary School of the Arts is a Title I Arts integration School of Choice that serves 533 students in grades K-5th with 63 staff members. The goal of our school is to educate all students in and through the arts by developing their knowledge of problem-solving skills to enhance the quality of their lives and life in the community. Our community business partners include: Northside Baptist Church, E S & Y Auto Repair, Arts Council of York County, Blumenthal Performing Arts Center of Charlotte, Bethel United Methodist Church, Rogers Memorial ARP Church, Chick-Fil-A, HealthSource, Target, Family Trust Credit Union, Papa John's, and Sweet Frog's Frozen Yogurt.

As a Red Carpet School and School of Promise, we continue to provide a positive relationship with home and community. All students participated in service learning projects such as holiday boxes for children around the world, Kick-it-for Cancer raising over \$3800 to help find a cure for childhood cancers, the Edible Garden project, and the first grade garden project with York County Soil and Conservation District. In addition, we also participated in the SC Walk to School Day and provided a healthy breakfast to all students who attended as well as assisted with an environmental awareness campaign through supporting the schools Help Us Go Green (or HUGG) Club.

The SIC and PTO collaborated throughout the year to strengthen School of Choice options for the 2013-2014 school year and the upcoming school year of 2014-2015. Registration, tours, applications, an arts integration open house night, and parent meetings were held for prospective parents. SIC wrote and was awarded a Lowe's School Improvement Grant to build a school wide greenhouse and outdoor learning center. The grant amount was over \$8,400.

Continuing as an Arts in Basic Curriculum site, we received the Arts in Basic Curriculum Grant for another year totaling over \$7,300. All grades had an artist in residence and performed in an arts integrated standards-based program. Faculty and staff participated in technology, literacy, math, and arts integration professional development. After-school violin, piano, and visual arts lessons were provided to 3rd through 5th grade students. Arts integrated units were written and students participated in standards-based Arts Explorers 5 week sessions four times during the year. Students performed in the community throughout the year. Daily academic intervention occurred across all grade levels. Students received instruction in Tiers 2 and 3 in literacy and math. The district Title 1 parent educators worked with parents and children in literacy, math, and summer learning workshops.

Our focus this year will be on building our professional learning community, arts integration, focus on best practices in literacy and science education all while continuing the technology integration focus of the school district.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	77.2
Overall Grade Conversion	C

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Northside Elementary School of the Arts has been designated as a:

	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
X	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
